

Rajat Dua

+91 9109012005 | rajatdua.work@gmail.com | therajatdua.dev | Gwalior, Madhya Pradesh

Objective

Passionate and motivated B.Tech Computer Science Engineering student with knowledge of JavaScript, Java, Firebase, web development, and basic Data Structures & Algorithms. Seeking an entry-level software development opportunity to apply technical skills, contribute to innovative projects, and grow professionally in the IT industry.

Educational Qualifications

- Computer Science Engineering | Amity School of Engineering and Technology, Gwalior CGPA: 8.25 | (2023 – Present)
- XII (CBSE) | The Radiant Hr. Sec. School, Gwalior 72.4% | (2022 - 2023)
- X (CBSE) | The Radiant Hr. Sec. School, Gwalior 73% | (2020 - 2021)

Technical Skills

Java, JavaScript, React.js, Firebase, SupaBase, SQL, VS Code, GitHub, Docker

Projects

- MemoVault (AI Chatbot) — React, Google Gemini API, Firebase**
Developed a React-based chatbot using Google Gemini API and Firebase for memory storage; improved memory recall accuracy by 25% using natural language search. **Test at:** memovault.app
- Personal Portfolio Website — React, CSS, GitHub Pages Hosting**
Built and deployed a responsive portfolio website; implemented lazy loading and SEO improvements, reducing load time by 32% and boosting engagement. **Test at:** therajatdua.dev
- Khabri Dynamic Newspaper — React, News API, Vercel Deployment**
Developed a dynamic news web application delivering real-time articles using News API; implemented category-based filtering and responsive UI, improving user engagement and content accessibility. **Test at:** khabri-newswala.vercel.app

Experience

- Lead, **Amity Coding Club**, Gwalior (Jan 2025 - Present)
 - Coordinated project discussions and skill-sharing meetups among developers.
 - Helped manage GitHub repositories and documentation for club activities.
 - Assisted in planning and execution of technical workshops and hackathons.

Leadership & Community Involvement

- Orchestrated 10+ events, managing all logistics to ensure smooth execution and success.
- Developed leadership, collaboration, and creative problem-solving skills.
- Collaborated with peers to implement social awareness initiatives on mental well-being and digital safety, demonstrating empathy and teamwork.
- Managed social media operations and secured sponsorships, boosting outreach and ensuring financial support for club initiatives.

Certificates

- AWS Academy Graduate – Generative AI Foundations (AWS), 2025
- Full Stack Development Internship Certification – CodTech IT Solutions, 2025
- thingQbator: Full-Stack Development with MERN – Cisco, 2025
- Prompt Engineering for Everyone – IBM, 2025
